15 STOCKING COLORS:

Tarkett offers customers the only fully integrated line of coordinating flooring solutions, finishing borders and accessories in the world. Tarkett continues to lead the industry in sales and growth for the finishing accessories category, the link to every surface in an interior space. BaseWorks® Thermoset Rubber Wall Base provides a rich, matte finishing border. This high-performance base provides increased flexibility for standard, curved or column installations. Its surface resists fading, cracking and will not shrink or separate from the wall. With its unique features, BaseWorks provides design options sure to inspire beautiful, functional and dynamic interior spaces.

Benefits of BaseWorks:

- It's THE Sustainable Solution
- Certified Cradle2Cradle® Silver
- The ONLY certified Cradle2Cradle Wall Base in North America
- Recyclable product: Tarkett ReStart® Reclamation Program
- Contributes to LEED credits
- FloorScore™ Certified
- TVOC ≤ 10µg/m³
- Manufactured in an ISO 14001 facility
- Available in 2 1/2", 4" and 6" heights (both toe and toeless)
